To Skanska Financial Services AB, registration number 556106-3834

Purpose of this Agreed-Up Procedures Report and Restriction on Use and Distribution

Our report is solely for the purpose of assisting investors in determining whether the Portfolio of Eligible Projects exists as at a date agreed with management and have been approved and may not be suitable for another purpose.

Responsibilities of the Engaging Party

You have acknowledged that the agreed-upon procedures are appropriate for the purpose of the engagement.

You are responsible for the subject matter on which the agreed-upon procedures are performed.

Auditor's responsibility

We have conducted the agreed-upon procedures engagement in accordance with the International Standard on Related Services (ISRS) 4400 (Revised), *Agreed-Up Procedures Engagements*. An agreed-upon procedures engagement involves our performing the procedures that have been agreed with you, and reporting the findings, which are the factual results of the agreed-upon procedures performed. We make no representation regarding the appropriateness of the agreed-upon procedures.

This agreed-upon procedures engagement is not an assurance engagement. Accordingly, we do not express an opinion or an assurance conclusion.

Had we performed additional procedures, other matters might have come to our attention that would have been reported.

Professional ethics and quality control

In performing the agreed-upon procedures engagement, we will comply with generally accepted professional ethics and are independent from Skanska Financial Services AB in accordance with these requirements.

Our firm applies International Standard on Quality Control (ISQC) 1, *Quality Control for Firms that Perform Audits and Reviews of Financial Statements, and Other Assurance and Related Services Engagements*, and accordingly, maintains a comprehensive system of quality control including documented policies and procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.
